

Iron County Medical Center

"Maybe you broke a bone, but you won't break the bank at Iron County Medical Center. We offer radiology services with our state-of-the-art equipment at a fraction of what other facilities charge. We're confident we have the lowest radiology prices in the entire state of Missouri! Visit us at icmedcenter.org to see how much you can save."

"When seconds count - count on Iron County Medical Center. If you or someone you love is experiencing a medical emergency, ICMC has compassionate staff available 24/7. Our professional medical team is dedicated to improving both your experience and outcome. Make us your first call for your medical or emergency needs."

"The pandemic has hit Missouri hard, but luckily, there's a simple solution. The COVID vaccine is the safest and best way to protect yourself, your loved ones, and our community. We have vaccines available for anyone who wants one. Visit us at icmedcenter.org to schedule your free vaccine appointment."

"Iron County Medical Center is a one stop shop for all your healthcare needs. From chronic care to physical therapy, wellness checks and everything in between, we do it all. We're combining compassionate care with complete price transparency to create a better medical experience for everyone. Visit us at icmedcenter.org to learn more."

Sleep Dynamics

"Is your partner's snoring keeping you up all night? We're Sleep Dynamics, central New Jersey's leading sleep center. We treat snoring and sleep apnea — without clunky CPAP machines. Ask us about our customized oral appliances — they stop snoring, and best of all, insurance covers it. Give us a call at (732) 517-7377 to learn more."

"Hey New Jersey, how'd you sleep last night? If you feel tired most days, you may be suffering from sleep apnea. At Sleep Dynamics, central New Jersey's premier sleep center, we can treat your sleep apnea with CPAP machines or customized oral devices. Give us a call at (732) 517-7377. Let's get you back to sleep, and back to being you."

"You deserve a better night's sleep. At Sleep Dynamics, we treat a variety of sleep disorders, from sleep apnea to insomnia and narcolepsy. If you're having trouble falling or staying asleep, or you're tired all day, we can help. Many sleep therapies are covered by insurance. Call us at (732) 517-7377 or visit SleepDynamics.com."
